

HB 187 which prohibits motorcycle only checkpoints reported out of sub-committee by a unanimous vote. It will be heard in full committee tomorrow morning. It should not be a problem due to its strong showing in sub-committee. Additionally every delegate to whom we have spoken has received well our argument that motorcycle only checkpoints are discriminatory and possibly illegal. I would urge you to email the members of the transportation committee on this bill. In case you misplaced them I have included the email addresses of the Transportation Committee members below.

HB 97 is receiving strong overall support and will have its first reading tomorrow and its second reading on Friday. The second reading is where the delegates will cast their first votes so continue with those emails to the full House. It is working.

If anyone has any questions or concerns about either of these bills or on the legislative process through which they are working please feel free to contact me.
