

Our bill to remove the prohibition against two motorcycles traveling abreast in the same lane now has a number. It is House Bill 97 (HB 97). You can follow the history of this bill throughout the session and read the text of it at the following link:

When the bill is assigned to committee I will forward the contact information for all members of the committee so that anyone who wishes to contact the committee members may.

There is no number assigned yet for our bill to prohibit motorcycle only checkpoints in Virginia . I will forward that information as soon as we receive it.

Here is wishing you all a happy new year.
